## This week

Dr. Flora Stay, author of a popular dentistry book, will be here to speak to us on dentistry. If the name sounds familiar, Dr. Stay is married to a Noontimer. To keep Lion Andy from getting fined, I won't mention to whom Flora is married.

## Next week

Oxnard City Attorney Gary Gillig, will be here to discuss the legal side of the Brown Act as it pertains to the recent Community College District scandal with Phil Weston. Should be a Noontimer treat. Scandals are right up our alley.

## Last week

Jim Naylor, promoter at Ventura Raceway, decided to pay his old friend, Lion IVP "Roll Over" Ross OLNEY a visit of the most public kind. As any Noontimer could guess, Lion Ross earned the sobriquet of "Roll Over" because of what he did in racing cars, not in bed. More's the pity.

Naturally, being a friend

of Lion Ross's he is certifiably crazy. He's spending thousands of dollars for long-term fixes to the Fairgrounds and in return he only receives a one-year lease.

## Musings from Maggio

Many thanks to Lion 1stVP Ross Olney for the quality programs he has arranged for our weekly meetings. Last week we even learned that Lion Ross not only writes books on car racing he also has been known to get behind the wheel on the race track! He has booked programs for us through April and based upon my review of future speakers we are in for a real treat. A variety of topics are scheduled

that will be of interest to Noontimers. Centennial Events are scheduled from now thru June. Of interest to Noontimers: Gala-March 14; Parade May 31; Baseball & BBQ Back in Time: 1913 Giants vs. White Sox Game Reenactment, June 30.

Noontimers have been invited to participate in the Parade. Let Lion Will know if you think it would be worthwhile. Do not forget to make contact with your Buddy prior to our meetings or incur the wrath of Lion Mike. This being Valentines Day why not give your Buddy a Treat!! [Editor's Note: Wonder what Lion D Dave TAPIE will get his "buddy?"]

## Winners

Lion Loyal FRAZIER has Free Fines today, while Lion Ralph SUTTON is our reluctant Greeter. Lion D Mike

PLISKY pocketed his \$5 Attendance Prize, so Lion TT Marv LONG will only pocket a like amount should he show today. In the Mad Marble Malarkey, Lion Irv TUCKER attempted to enrich either himself or the City of Hope by \$133. Naturally, he came up empty.

## Missing BE

Lion BE Toby SCOTT is in San Francisco to see his friend play with the San Francisco Symphony. Please take

lots of notes and send them to toby@scotts.net immediately after the meeting (before your short-term memory fades into long-term forgetfulness).

## Calendar
