This week

Our Special Guest today is Oxnard City Attorney Gary Gillig. Gary is here to discuss the legal side of the Brown Act as it pertains to the recent Community College District scandal with Phil Weston.

There is a possibility that Lion D Karl DAME could make it to the meeting today. He is being driven down by relatives and if they get to Oxnard in time, he'll be here.

Next week

Next week is confusing. We will definitely meet on Tuesday (yes, Tuesday, not Friday) at the Oxnard Harbor District, 333 Ponomia in Port Hueneme.

Not so certain is the fate of the Friday meeting. It was originally scheduled to be dark but it will be discussed at today's meeting. The result of the discussion will be on the web site: www.noontimers.org Stay tuned.

Last week

Dr. Flora Stay, author of a popular dentistry book, was here to speak. Her husband, Lion C Andy STAY had had a problem when he slept (no, not that one). He would hold his breath for a long time, rather

than breathing normally. Flora invented an apparatus that goes in the mouth that keeps the mouth open a bit and corrects the problem. Lion Andy is now sleeping normally.

If she could only correct his driving. Yes, that Lion Andy's blue Infinity upside down on the corner of Vineyard and Ventura. He claims that he was cut off by a motorcycle and in order to avoid hitting it he swerved and lost control. Sure.

Musings from Maggio

Next weeks meeting will be held on Tuesday Feb 25 at the Oxnard Harbor District Offices 12:00 Noon. Their Offices are located at 333 Ponomia St. in Port Hueneme. Park in the front parking lot and proceed to their

designated conference room. After lunch we will be given a tour of the Port. You may bring guests, but you need to let Lion Will know how many. If you have a problem contact Lion Will Berg at 483-3443.

The Bored will meet on Weds Feb 26th at Lion Todd's home located in Ca Lighthouse, between 7th & 9th Streets, off Ventura Rd., 1158 Oyster Place at 6:00 P.M. Enter from 9th St, use code #1538, and park in the guest parking spaces. If you get lost contact Lion Todd Rehanek at 443-6230.

Winners

Lion Will BERG has Free Fines today (he'll need them), while Lion C Andy STAY is our greeter — if he doesn't crash his car getting here. Lion TT Marv LONG pocketed his \$5 Attendance Prize, so Lion Bedford PINKARD only lost \$5 by not being here when his name was called. Today we draw for \$10. In the Mad Marble Malarkey, someone lost their bid for \$141.50. Your BE was in San Francisco and when he called Lion S/T Carl BUTSON for a report all he got was, "I think it was

Tucker — oh wait, he wasn't here." Well, whoever you were, you are a double loser. You lost the money and no one remembers anything about it.

Missing BE

How quickly you forget. Your BE was gone for a huge total of one meeting — and he even delivered a bulletin before he left — and no one thought to give him a call, send him a picture or in any other way provide information for the bulletin.
