This week

It should be open.

Next week

Who knows???

Last week

Scheduled program didn't show because we failed to confirm.

Ramblings from Ross

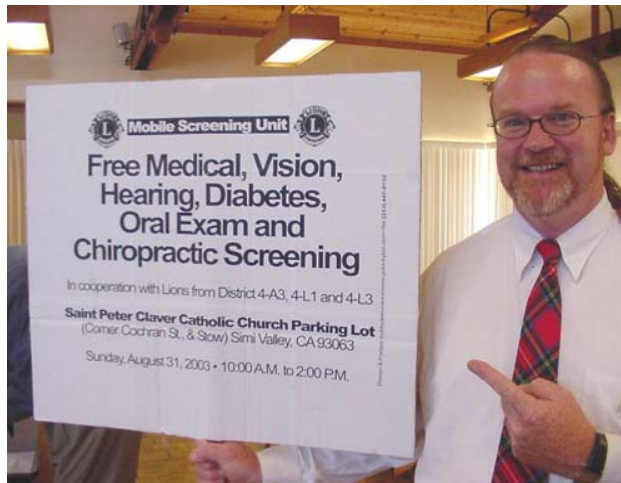

Absolutely nothing received this week from Lion Ross, Lion Will or any of the other officers. No Bored report, no committee reports, no nuthin'.

Winners

Lion 2VP Dennis AMICK has Free Fines, while Lion Sig ASKVIK is our Greeter (did we do this in alphabetical order??). Lion D Todd REHANEK wasn't here when his name was called, so he won't be \$10 richer even if he shows today. In the Mad Marble Malarkey, Lion 1VP Will BERG wanted to take the \$10, but since that option was no longer available, he settled for nothing after drawing the colored marble.

Cabinet report

Lions from all over the District gathered in Arroyo Grande for the first Cabinet meeting of Lion DG George STEWART's regime. Naturally, the only Noontimer to make it was Lion RC Rick SMITH (pictured pointing to sign with wrong finger — Noontimers always use the middle finger).

When asked for a report, Lion Rick replied, "Uhh." Don't laugh. It was the most informative report your struggling BE received this week. Your BE has no idea what speakers might be coming in the future, what planning any committee might have done, what (if anything) happened at the Bored

meeting, or any other information of interest to Noontimers. If your BE doesn't start receiving better information, this club can find another BE.

I've been doing

this job for 15 years and this is the worst cooperation I have ever received. For you linguistic purists out there, yes, I know I changed person. Anger and frustration will do that to you.

I thought about picturing nothing but computers we have for sale, but decided to run some pictures of our fishing trip (thanks, Lion D Dave TAPIE).
