

THE LIONS DIN

Oxnard Noontimers Lions Club

WWW.NOONTIMERS.ORG

Volume 50, Issue 31

April 17, 2004

This week

Our Special Guest today is Ron Fisher, (the Pop Corn Man), who has been practicing a secret profession for some time now without telling anybody about it. Well the secret's out! Ron will share a very interesting project he's been working on with the Lions.

Next week

Carlotte Poe from 'Free Thinkers of Ventura County' will conduct an 'Ask the Atheist' program today.

Last week

Meg Horton and Jim Mangis, from Ventura County's Food Share program, dropped by to fill us in on the latest from the world of feeding the hungry in Ventura County. If you haven't been to their place, they move a mountain of product every day to all the other agencies in the county who take care of the homeless and poor. It's a wonderful organization.

Ramblings from Ross

[None received: It would appear that Lion Ross has retired early as his term isn't officially up until July 1.]

Winners

Lion Irv TUCKER has Free Fines while Lion BE/T Toby SCOTT is our Greeter. Lion Hal WASSERMAN wasn't here to collect his \$10 Attendance Prize, so Lion George THOMPSON lost \$15 by not being here when his name was called. In the Mad Marble Malarkey, Lion 1VP Will BERG attempted to pilfer \$530.50 of our money but justice was served and he came up empty.

Elections

OK, Boys and Girls, this is it. Today is the third and maybe final reading of the candidates for office next year. We should have the election either next week or the week following. Normally, we don't hold elections the weekend of the District Convention because of the throngs of Noontimers who attend.

With regret

Lion Toby SCOTT's father, Bob, passed away last Saturday evening in the company of the entire family — all 18. This was pretty good news considering the amount of pain he had been in. He had open heart surgery a bit more than a year ago, then they discovered his aorta was leaking had had to reopen him a week later. Two operations finished his kidneys and he had to go on dialysis. Then he had his carotid arteries unblocked in a third surgery. He had several blood clots in the plumbing they put in for dialysis and finally developed back pain. Back pain didn't seem too high a priority, so they ignored it. He died of cancer of the spine after a great deal of pain.

Please say a prayer for him and the family.

Look who has been coming to dinner — and who graciously served us even though he had Free Fines.
