## This week

Lion District Governor Ron Hurd is our Special Guest today. What do you know? A Special Guest who is really special. Why would Lion Ron want to visit us? District Governors are required to visit every club in the District, so he doesn't have any choice in the matter. Naturally, we are one of his last stops.

Anyway, try not to treat him more rudely than you treat other guests. Supposedly, we are supposed to be on our best behavior, but asking Noontimers to behave is just asking for trouble. Do the best you can.

## Next week

Does anyone know?

## Last week

Ernie Whitaker, Program Manager for the Oxnard Housing Authority, dropped by to talk about the rebuilding of public housing in Colonia. Looks like no one will be inconvenienced too badly.

## Whispers from Will

For those of you who missed last week's lunch meeting you missed a treat. We inaugurated Father Eugene Nkaedzedze as an honorary Lion. He received an official looking plaque and a Noontimers banner. During the ceremony Lion Dave Tapie took film and at the conclusion presented Father Eugene with the camera. Lion Andy came up with a container to ship all the stuff that's been donated back to Cameroon. I think Honorary Lion Eugene was pretty moved by the whole affair. It was nice having him around and we hope he can someday return. But don't stop considering ways to send Lion Andy over there (one-way if possible).

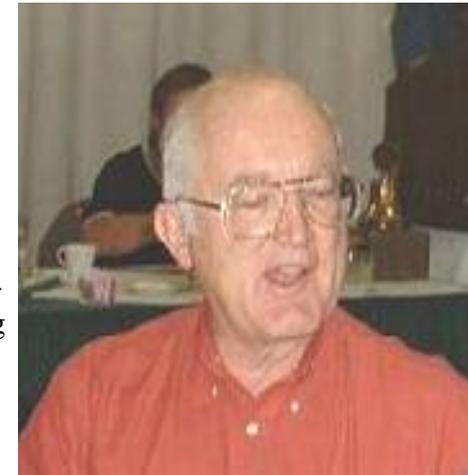

Lion Byron is home after his triple bypass. Sue (get that for a lawyer's wife's name) is

gonna be so glad to have him fully recovered enough to get him out from underfoot. Anyway word is he's feeling better everyday. Lion Andy told him that none of us cared enough to even get him a card to which he

replied, "I would not have expected anything less from my club."

We've got a big shot visitor today in Lion District Governor Lion Ron Hurd. Ron as you know lives in Carpinteria. Protocol has me first introducing our Lion Rick to introduce the District Governor and his entourage including Vice District Governor Chuck Cassy from Ventura Downtown and Region N Chairman Mike Hall from Pleasant Valley. THIS IS A CODE 1 day guys.

Did you know that fumbler such as you and I have lost 100,000 tons of silver coins in the first half of this century. Or so say the government accountants. Gold must have been of some interest to the ancients. The word turns up in the Bible more than 400 times!

Dip that fertilized chicken egg in estrogen and you'll get a hen. Dip it in androgen and you'll get a rooster.

## Winners

Lion D Pat RIGGS has Free Fines, while Lion Dave GOSNELL is our Greeter (could he possibly make it on time to fulfill his Greeter duties??). Lion BE/T Toby SCOTT will pocket \$10 if he shows today — and if you are reading this, he showed. In the Mad Marble Malarkey, Lion Loyal FRAZIER attempted to add to his fortune by the amount of \$298, but he's lost his touch.

## WCD revisited

Lion Loyal also reported that he has collected \$1920 for this year's White Cane Days.
