## [This week](#)

It is supposed to be an open meeting, but we have the Zone Student Speaker Contest. This brings lots of visiting Lions who want to see the kids who won their club contest.

## [Next week](#)

Your BE doesn't have a schedule for next week yet. Lion 1VP Dennis AMICK usually sends the list several weeks in advance, but ... well, he's a Noontimer.

## [Last week](#)

Jay Duncan, Recycling Manager for City of Oxnard, dropped by to talk trash. Oxnard has significantly reduced the amount of trash we send to the landfills over the past 10 years. There are fewer and fewer landfills every year.

Lots of wives also joined us for a belated Valentines Day. We did a decent job of not embarrassing ourselves. At least they all received lovely roses.

## [Whispers from Will](#)

Well Lions we're at the end of the Month and dark today [Editor's Note: We are NOT dark, but it is an open meeting.] but we will be treated to a couple of student speakers competing in the High School Speech contest. We also are being visited by our District Governor and a bunch of Lions from the Pleasant Valley Lion's Club.

Your President made a presentation to the PV Lions club last Tuesday on the Port of Hueneme and the operations out there. They had a pretty good turn out and a great meal. I wonder when they will notice their gavel is missing?

Toby says however that as I was there as a guest and not on a visitation that the schlepping of their gavel was a technical foul. It's a pretty crummy gavel anyway and I'm not sure if it's worth our time to auction it off. There's not even any engraving on it! But I'll leave that up to you guys.

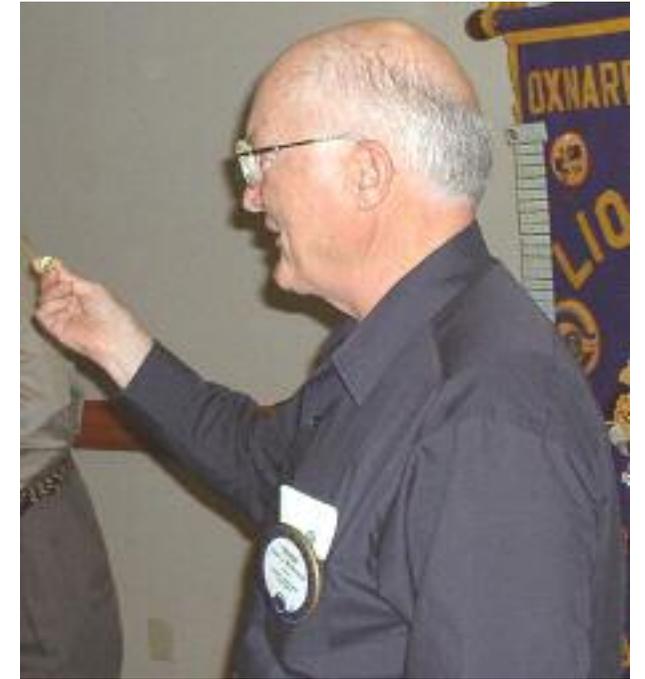

We are supposed to be getting our invoices (December plus Christmas Party plus January all in one) in the mail sometime real soon. In order to prepare you for the hit,

Lion Rick has made copies to hand out to those of us here today. Rick further says he's going to get February's out before the 10<sup>th</sup> of March so expect yet another hit real soon. He also swears he's figured out a way whereby we'll start getting our bills on a monthly basis. It'll be a neat trick that I know many of you will sincerely appreciate... if he comes through. Stay tuned for more on this subject.

Strawberry Festival is coming up and we want to man a booth this year. I don't know who it was last year, (I think it was the then 1<sup>st</sup> VP), screwed up and didn't get to the booth drawing in time so we're hoping for a more reliable volunteer this year. Any takers?

## [Winners](#)

Lion D Pat RIGGS has free fines today, while Lion Byron WEDEMEYER is our Greeter (with all the guest, he's going to have his hands full). However, Lion Byron will also pocket the \$5 Attendance Prize if he makes it, so he'll get a little extra as Greeter. In the Mad Marble Malarkey, Lion Loyal FRAZIER took dead aim at \$457 but his aim just isn't what it used to be.
