I Want My Mommy

### [This week](#)

Our esteemed VP Lion OTTO informs us that our Special Guest is really quite Special. He has arranged for someone or someone's from the Dallas Cowboys to speak to our club today. Dare we hope? Dare we dream? Could it be that our fantasies come true and we will be visited by the DALLAS COBBOY CHEERLEADERS! You'll all want a front row seat for this one. If Lion OTTO pulls this off he'll be sure to get good press from this editor.

### [Amickable comments](#)

Lions in Ventura and Santa Barbara are exploring a new way to serve the community. Appropriately it is called Life Saver. It is designed to aid Alzheimer patients and their families. One of the ongoing challenges is monitoring the patient who is at home, assisted living or nursing facility. Many times an Alzheimer patient just wanders away.

They could be missing for hours, days or worse. During this time family members, police, fire department and other city and county services expend time, energy and taxpayer dollars. There is a solution, however.

A wrist unit has been designed similar to a GPS unit which an Alzheimer patient can wear twenty four hours a day. Should the patient be discovered missing, the family member or attendant notifies the Sheriff's Department who key the system which works like a GPS. The results where this unit has been used are fantastic. Please don't quote me, but what I recall is that the patient is located in about 20 minutes.

### [Last week](#)

We had someone Who I can't remember his name tell us how to get along with all kinds of people and situations. In the immortal words of Rodney KING "Can't we all just get along"

### [Next week](#)

Who know? Lion OTTO has yet to fill anybody in on a scheduled list of speakers. I think a progressive fines should help stimulate him to action

More details will follow. There will be a meeting at the Hill Street Deli Wednesday the 17<sup>th</sup> at 7PM. Ventura Downtown Lions have committed \$1,000.00 as seed money. We probably all know someone who has or has had Alzheimer's disease and understand how beneficial this could be for our community.

Less serious but of equal importance. Is Lion Loyal's team going to beat the other two formidable teams in the White Cane Contest?

### Winners

Lion Tamer Steve SABEDRA has Free Fines today, while Lion Rick SMITH is our Greeter. I forgot to write down who won the attendance prize so it's anybody's guess. In the Mad Marble Malarkey, Lion Mike PLISKY wasn't able to look in the bag so he missed his chance for \$341.00. Too bad Lion MIKE we're all crying.

### Golf

One month to go. Sign up and play. Bring a friend. It'll be tons of fun for only \$30.50.

### Volunteers needed

Lion Carlos Martinez will need some help driving to chemotherapy. Are there any volunteers willing to help out? Please let Lion S Rick SMITH know.

### New member breakfast

We are going to have a new member at the Courtyard

Marriott (old Hilton) on August 18 at 8:00 AM. There are five new members who will be oriented: Lions TT Steve SABEDRA, Chuck CONWAY, Kirby KANESHIRO and David MIGOCKI. All Bored members, new members and sponsors are requested to attend. This meeting is where we tell the new members how the club works (or, in actuality, doesn't work). There is no charge for the breakfast.

### On Vacation

Lion Andy STAY just got back from Alaska. He said he had a great time. I think we can all see why!
