Last week

The Ventura County Agriculture Commissioner, Earl McPhail, decided to ruin agriculture in the county by showing up at a Noontimer meeting. Crops withered, the politically correct Gestapo marched and havoc reigned. But Earl was a fun speaker.

This week

Who knows? [Editor's Note: The District Rules for Bulletin Editors REQUIRES that we publish the schedule of upcoming events, including speakers. Your BE attempts to comply, but no one will provide him any information. So you get to read these stupid paragraphs every week.]

Next week

It should be open, but there are no guarantees. [See note above.]

Amickable comments

WELCOME BACK LION CARLOS.

You were well represented in your absence. We couldn't have asked for a better substitute than Arturo. Lion Otto did attempt to find an alternate on one occasion. A few expressed their opinion but no vote was taken; however some say that you may have liked this particular alternate.

Thank you, Arturo.

Your work was superb and professional 100% of the time. We wish you and your family much fortune and success. Please consider us your friends as we consider you our friend.

Noontimers, please look at the rough draft of the brochure on your table. After printing, this brochure could be handed to prospective members or used at events to make the public more aware of Lions and the Oxnard Noontimers. Please email additions, deletions and suggestions to dennis@ifacorp.com.

Elections

We published the list of candidates in last week's Bulletin with several offices showing no candidates. Guess what? In the intervening week, we have filled all the vacancies? Not really. Some of the vacancies? No. We have filled exactly zero vacancies. Next week is the last posting of the candidates and the week after we elect our officers. What if we held an election and there were no candidates? You'd never know because the Bulletin Editor is one of the positions open.

President	Otto Schimmel
First Vice President	Toby Scott
Second Vice President	Jeff Norris
Third Vice President	Bobby Mullins
Secretary	Rick Smith
Treasurer	Rick Smith
Lion Tamer	Steve Sabedra
Tail Twister	[none]
Chaplain	Andy Stay
First Year Directors (two needed)	[none]
	[none]

In addition, we need a Bulletin Editor, Visitation Chairman and Membership Chairman, which are appointive offices. Perhaps Lion Mike PLISKY may wish to remain as MC, but we are going to need a new BE for sure. And do we have a Visitation Chairman now? Any takers?

If you are interested in any of the offices, please let Lion Will know. We could even use a contested election if you wish to run against someone.

Small burglary

Ventura County Computers was burgled Sunday evening around 9 PM. They smashed the glass in the back door and stole two laptop computers and three projectors. Lion Toby lost his laptop, which was the only item not insured. Only customer equipment is insurable — at least according to our insurance agent, Lion John FARRAR.

The shirt off my back

Lion Dave TAPIE should have shirts for those of us who ordered them. Lion Dave isn't too happy. Several

Noontimers went over to him when he was measuring everyone for size and fitted themselves with jackets. Lion Dave dutifully wrote down their size and ordered a jacket for them. Now they say they don't want a jacket and didn't sign up for one. If they didn't want a jacket, then why the heck did they come over and get size up?
