## [This week](#)

It's an unscheduled open meeting today. Lion IVP Otto SCHIMMEL called your BE at 11:05 to see if the Bulletin had been printed to report that he'd been turned down more times than a bedspread. One might think that trying to get a speaker less than an hour before the meeting is the last minute, but for Noontimers that's advance planning.

the year with a home run thanks to Lion Steve and his wife Sarah. We also honored that District Governor elect Jeff Roundy will install the new officers.

Lion Dave Migocki has organized the Noontimer's participation in the Strawberry Festival and we thank all of those participating this weekend.

## **May is Recycle for Sight Month**

A pair of recycled eyeglasses can change someone's life for the better. Collect used eyeglasses during May for Recycle for Sight Month. Ask about

placing collection boxes in locations you frequently visit (restaurants, dry cleaners, stores, libraries, eye doctors, banks and community centers). Be sure to ship the collected eyeglasses to one of the 13 regional [Lions Eyeglass Recycling Centers](#). If your club collects glasses year-round, include the collection locations in your publicity for Recycle for Sight Month. Many [resources](#) are available to assist with your eyeglass collection and promotion, including a new [Recycle for Sight Activity Guide](#). A [certificate of appreciation](#) is available to download for recognition of those contributing to your collection.

## [Last week](#)

Ruth Cederstrom dropped by to talk about homeowner associations and how she is enthusiastic about her work. Apparently she was a bit intimidated by sweet, little us.

## [Next week](#)

If he couldn't get a speaker when we was supposed to, what are the chances we'll have a program when we aren't scheduled for one???

## [Amickable comments](#)

Wow! If the installation dinner is as classy as the invitations, Lion President Elect Otto will begin

## Winners

Lion Byron WEDEMEYER has Free Fines while Lion D Chuck CONWAY is our Greeter. Lion TT Steve SABEDRA was here when his name was called, so if he makes it today, he'll be \$10 richer. In the Mad Marble Marlarkey, Lion P Dennis AMICK rigged the draw so he won the chance at \$256. Unfortunately, he was unable to cheat his way to winning the kitty.

the train, have dinner and try to help solve a murder. The whole name for this operation is, "The Fillmore & Western Railway Company Murder Mystery Dinner." Whew, what a mouthful. But it's going to be a fabulous time. People who have been on these trips have come back raving (or is that raving mad?).

Lion D Pat RIGGS has done his usual excel-

lent job in organizing this event. The train departs promptly at 6:30. They recommend you get there between 6 and 6:15. If you miss the train, you miss the entire event. But you still pay \$80 per person for the event.

## Strawberry Festival

The Strawberry Festival is tomorrow and Sunday. If you signed up, be sure to show up. Lion D Dave MIGOCKI will hand out passes and instructions today. Noontimers always have a great time while raising excellent money for our charity fund.

## Installation

Invitations went out this week. If you didn't receive one, you missed out on a gem. What a great invitation. The committee is working hard on creating a fabulous event. Lots of things we can't discuss in public (we ARE Noontimers), but it will be one of the events that goes down in Noontimer Lore. If you miss it, you'll be hugely sorry. The event is June 9 at the River Ridge Golf Club. There will be no general meeting that day.

## Train ride

Save the date! June 17. Noontimers are going to get murdered. We will head out to Fillmore, get on
