### [This week](#)

Presumably, it is open as it is the last Friday of the month, but then Lion 1VP Jim PLISKY has sprung surprises on us before.

### [Next week](#)

If we don't know about today, how in the heck are we expected to know about sometime way, way far off in the distance?

### [Last Week](#)

[The following is a direct cut-and-paste of the report your BE received from our Secretary.] Daniel xxxxx from the City of Oxes gave a scintillating report on asphalt lifespan and when asphalt is better than cement for roadways (cost, curing time etc.)

### [Winners](#)

Lion S Jeff NORRIS has Free Fines today, but won't be here to benefit. Lion D George THOMPSON is our Greeter (at least your BE thinks that the correct George. The Secretary just said it was "George.") Lion Sig ASKVIK collected his \$15 Attendance Prize so Lion Rich FIGUROA only missed \$5 for his failure to attend. In the Mad Marble Malar-

key, Lion Ryan ALTHOFF took aim at \$229.50 but was wide left.

### [Polling Duties](#)

Don't forget that in a week and a half, on June 5, we will be manning the polling booth in Channel Islands Harbor. Lions P Ross OLNEY, D Dick MAGGIO and BE Toby SCOTT have taken the class (Lion Toby will take it immediately after today's program) and will be able to handle problems. But we need a lot of help. Please help out.

### [Bored Meeting](#)

The Bored will meet at Lion C Andy STAY's house, 4105 Clubhouse Drive in Saticoy, next Wednesday at 6 PM.

### [BE Help](#)

Your BE could use a little help. He was unable to make last week's meeting. The Secretary sent him the Winners info, but nothing else was forwarded to him. No info about programs, nothing about the Installation (are we still having one???), no pictures.

If we want to have a meaningful Bulletin, there has to be a bit of passing of information. Did a Noontimer

do something stupid that another Noontimer spotted?  
Why doesn't the BE know? Did anyone win or place  
in any car races? Pictures? Reports? Nobody did  
anything and nobody took any pictures?

*This space left empty by Noontimer  
neglect.*
