### [This week](#)

Our Special Guest today is Jim Naylor from the Ventura Speedway. Everyone guess who invited him.

### [Next week](#)

Probably someone is going to speak. Probably some Noontimer knows who. Probably the information won't filter to the BE.

### [Last Week](#)

Mike Ramirez, representing the City of Oxnard rather than PAL, talked about Oxnard's role in the Special Olympics. It is coming to Los Angeles this fall and Oxnard will be one of the venues. As we get closer to the event, Mike will let us know what we can do to help, but everyone will need to help out. This is a massive undertaking.

### [Winners](#)

Lion Todd ADAMS has Free Fines, while Lion Barry BRAFF is our Greeter. As Lion Barry comes to about three meetings a year (in a good year), it is unlikely he'll greet anyone. Lion Kalani JOSE wasn't here when his number was called for the Attendance Prize. Just as well, it was only worth \$5. Today we draw for \$10. In the Mad Marble Malarkey, Lion EC John FARRAR had the winning ticket yet again. But as he got greedy and wouldn't share with Lion Carlos MARTINEZ, he had to draw himself and naturally got shafted. He only missed \$109, so it wasn't that big a deal. He collected \$1,231 last week, which he split with his turncoat partner in crime.

## Activities Needed

Folks, this is it for the Noontimer news and upcoming events.. How about we get busy setting up something? We have one event scheduled for the next month and it is a birthday. Can we do something useful???

Do we know when we are holding our Installation? Can we schedule something? Sure would be nice.
