This week

As far as your BE knows we have no program today. Of course, being Noontimers, it is entirely possible we have two or three programs that no one bothered to clear with anyone. Probably we won't have just one.

Next week

More of the same.

Last Week

Lion BE Toby SCOTT regales us with stories of Windows 10 last week. Hard to believe that a simple operating system could contain so much hilarity.

Word of warning: Never let the Bulletin Editor speak and then do the write-up of his speech.

Winners

Lion D Ross OLNEY has Free Fines, while Lion S Jeff NORRIS is our Greeter. Thank goodness they weren't reversed or we couldn't fine Lion Jeff for sending out 10,000 emails today. It's pretty awful when your computer locks up because the spam file is filled up. Lion David KANJI had his name pulled for the \$35 Attendance Prize, but he wasn't here. Today

we draw for \$40. Can anyone remember when we got that high before? In the Mad Marble Malarkey, Lion Roman VAISMAN failed in his attempt to extract an unknown amount of money. Hopefully, our Treasurer will finally figure out how much money is in the MMM kitty. It's somewhere around \$200, but Lion T Tim TENOPIR hasn't got it down to a specific amount. He was away for a couple of weeks.

Installation

PAL/Cowboys Event

Several Noontimers have shown up for a stint pouring beer at the Cowboy's camp. PAL is making good money here so it is a great opportunity for us to help out. Be sure to make all your obligations.

script — and with the Noontimers it could never be.

Lion C Andy STAY did a fantastic job or roasting Lion Kalani. Both Kalani's son and father were laughing their asses off, which pretty well means no one took offense. If you missed the event, there is a YouTube of Lion Andy's monologue at <https://www.youtube.com/watch?v=B10Ha-P1Aic&spfreload=10>
