## [This week](#)

Our Special Guest today is Mohammed Hasan who will be talking about Islam and radical Islam. Mohamad spoke to us earlier about water and his plan to provide SoCal with enough water for the future.

## [Next week](#)

Carla Castilla, candidate for County Supervisor for 3rd District will be here. We will have had two of the candidates speak to us before the election.

## [Last Week](#)

Jeffery Paige, a realtor with Century 21, dropped by to talk about planning and setting goals.

## [Winners](#)

Your BE had to leave early. He has no idea if he won anything — oh and he doesn't care if anyone else did, either. Tough.

## [District Convention](#)

First of all, we had a great hospitality room on Friday afternoon/evening. Lots of fun and lots of visitors. We had way more food and drink than necessary. On Saturday, Lion P Kalani JOSE had his father cook some fantastic Philippino food. Hopefully we won the contest. No matter, we had a lot of enthusiastic eaters and a good time talking with everyone. Thanks to everyone who helped out.

## [Strawberry Festival](#)

What a weekend. In addition to the Convention, we had 13 people manning climbing and jumping stuff for kids on Saturday and about 19 on Sunday. Turns out we could have used more. If we do this next year, it would probably be best to have half days to allow staff to eat and drink either just before or just after their shifts.

Still, it was a hugely successful event. We broke one of the Jumper units and one of the slides came apart, but Bud Harley said it was pretty much to be

expected. They'd get it all put together. Apparently we passed muster He will be dropping a meeting in the next week or two to present us with a check.
