## Otto's Epitaphs

Everyone is complaining about the price of gas these days. Here's an interesting fact.

President Otto Schimmel

### How Much A Gallon?

A 2006 study found that the average American walks about 900 miles a year. Another study found that Americans drink an average of 22 gallons of beer a year. That means, on average, Americans get about 41 miles per gallon. Not bad!!!

Here's a list of stuff that is coming up around the area. Maybe the Noontimers want to participate and if so, step up and chair an event:

Cancer Walk at Oxnard High School (**Lion George Thompson** has done this in the past). This usually happens in May so does anyone want to check on this one?

Memorial Day Weekend: Anyone want to set up an event commemorating the reason for this holiday. The Ventura Downtown Lions Club sets up flags throughout the Ivy Lawn Cemetery with a small ceremony. We have Santa Clara Cemetery with a lot of veterans there. Interested?

How about the Fourth of July? Since Oxnard does not seem to really celebrate this event (fireworks at the a high school is its only thing), anybody interested in trying to organize an event or activities to celebrate the Fourth of July.

Ventura County Fair Parking Project in August. We can make some money by helping with the parking. Pleasant Valley Lions have coordinated this for the past 10 years with over 150 Lions from 10 clubs participating. Even the Leos Clubs participate. The list includes: Channel Islands, El Rio, Saticoy, Santa Barbara Host, Ventura Breakfast, Simi Valley, Meiners Oaks, Santa Paula, Leos from St. Bonaventure High School and Pleasant Valley.

If you have an idea, let a Board Member know so we can get on it!

## Winners

FREE FINES: **Lion Rick Smith**  
GREETER: **Lion Toby Scott**  
ATTENDANCE: **Lion Mike Plisky's** name was drawn so if he is on time today, he will win the huge amount in the pot (\$5).  
LOTTO: **Lions Carlos "El Afortunado" Martinez** and **Chris Pachana** won the Lotto.

## Marble Malarkey

**Lion Todd Rehanek** tried his luck at picking the right marble but no luck. This week's pot grows to over \$160.

## First Annual Shoot Out

Don't forget about the First Annual Never Held Before Noontimers Shoot Out on Sunday, April 22, 2007 at Shooters' Paradise in Oxnard. Be there at 11 am. If you have your own weapon, bring it. If you have your own eye and ear protection, bring it. If you don't have any of these things, show up anyway. Rumor has it that the group will gather for lunch somewhere following the shoot out.

## Beppo Dinner Correction

The article about sixteen people going to a restaurant on Saturday, July 21, 2007 was correct. The name of the restaurant was incorrect. The right name is Buca De Beppo in Thousand Oaks Janss Mall. The room that everyone will dine in is the Beppo Room, not Peppo. I think the Club should send the Bulletin Editor to try the restaurant out ahead of time since the information was incorrect!!! Remember to sign up ahead of time. The first sixteen people will enjoy a delicious dinner and great company. Contact information: Contact or email either **Lion Mike** or **Lion Chris**. Check your Buddy List for telephone numbers. Email address for Lion Mike: [mplisky@vcmail.net](mailto:mplisky@vcmail.net). Email address for Lion Chris: [diverdownmaui@gmail.com](mailto:diverdownmaui@gmail.com).

## Former Lions Show Up

Two former Lions wandered into our meeting last week. Tony Grey and Dr. Jim Caballero strolled in to see what was going on. Did anybody give them an application to rejoin?

## Last Week's Speaker

Supervisor John Flynn appointed one of our own to a special committee to investigate the happenings and going ons at the Channel Island Harbor. **Lion Dick Maggio** presented

Lion Dick Maggio filling us in on the findings of the Special Committee regarding the Channel Islands Harbor

information and the findings of the committee. The Committee is trying to present the report to the Board of Supervisors but it seems they've hit a stone wall. Good job **Lion Dick**. And you thought he had retired!!

## Pouring Training

I know no one in this Club needs training in drinking margaritas but we have to have our certification if we are going to pour margaritas at the Strawberry Festival. Any word on the training being done next Friday at our meeting as tentatively planned? Maybe **Lion Toby** or **Lion Rick Gill** could give us an update today.
