[This week](#)

Our Special Guest today is Dr. Todd Binkley (pictured right) who is a non-force chiropractor and clinical nutritionist, with twenty years in practice. He does a more **pro-active analysis** of standard lab tests to help people get the nutrients they need to stay healthy and prevent disease. Today Dr. Binkley is going to tell us how to prevent Type 2 Diabetes.

to see if he can entice reprobates to vote for him. Good luck.

[Last week](#)

Paul Daily (speaking below) from Solar World dropped by to talk about solar energy and show us a panel and how it works. Quite informative. On page 2, view Lion C Andy STAY charging his cell phone with power from one of the units.

[Winners](#)

.Lion C Andy STAY, the lucky devil, has Free Fines. He needs to pay a large fine, anyway. Lion Jeff NORRIS is our Greeter for any of you willing to shake hands with an attorney. Check your wallet. Lion Pat RIGGS had his name called for the Attendance Prize and Shazam, he was here. First one in months. He wins so much money that the Secretary and Treasurer have to huddle to figure it out. In the Mad Marble Malarkey, Lion D Roman VAISMAN attempted to pocket \$297.50, but the KGB didn't have our bag wired so he came up short.

[Next week](#)

Dennis Carpenter, candidate for Sheriff, will be here

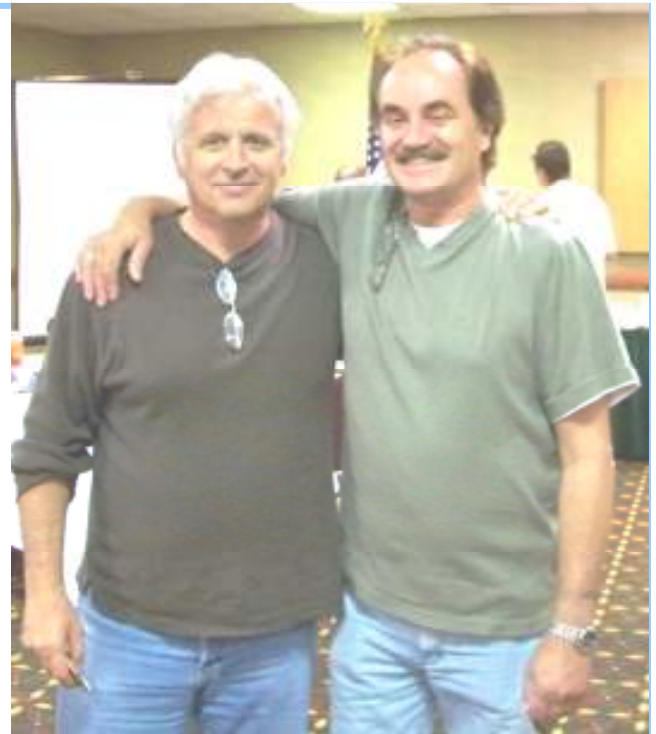

Visitation

Looks like we didn't visit Carpinteria after all. No one but Lion T Rick SMITH could go. If we are going to do visitations, we need to get a core that agrees to go. Any volunteers?

Baseball, Baseball, Baseball

Lion C Andy STAY told your BE that we would be going to the Dodger game this Sunday and Lion Toby wrote it up last week — when Lion Andy was here. Discussions were made and the subject of car-pooling was discussed. There is only one flaw in this plan: This Sunday, the Dodgers are playing in Arizona.

Maybe Lion Andy gave the BE the wrong date??? Perhaps he could clarify it. And those of us who

agreed to purchase tickets may need to consult our calendars/wives/girlfriends/kids, etc.

Region N Meeting

Region N (our region in District 4-A3) will be hosting a new member installation along with a Zone 7 meeting (our Zone), tentatively scheduled for Wednesday, September 9 — probably somewhere in Camarillo. Region encompasses the Lions clubs in Simi, Fillmore, Saticoy, El Rio, Camarillo and Oxnard, so Camarillo is sort-of central.

Your Region N Chairman, none other than Lion BE Toby SCOTT, would respectfully request that all Noontimers who can should attend.

Congratulations

Congratulations to Lion Chris PACHANA and his wife, Christine, had a baby who is doing quite well. Considering that their previous was considerably premature (probably a future Noontimer), this is welcome news, indeed. Lion Chris didn't want to risk contaminating his son with Noontimers, but he did bring a picture — which is pictured on the left, along with proud Papa.
