### [This week](#)

Our Special Guest today is neither a guest nor special. Lion BE Toby SCOTT has a short presentation on the Future of Computers.

The main reason Lion Toby is speaking is because Lion 1VP Jim PLISKY was out of town all week and didn't have a program. Lion Toby is saving Lion Jim from having to make good on his promise to pay \$20 every time he doesn't have a program.

### [Last week](#)

Dr. Binkley dropped by to talk about how we should be eating meat, fruit, nuts and vegetables and not grains, starch and sugar.

He's a Noontimer kind of advisor: Eat meat and drink booze.

### [Next week](#)

Jim Daly from the Mossy Foot Project (and no, that's not related to Noontimers putting their feet in

their mouths) will be here to talk about what the project is doing in Ethiopia.

### [Tapie's Tripe](#)

He sent the BE pictures. But no text.

### [Winners](#)

Lion BE Toby SCOTT has Free Fines today, while Lion MC Mike PLISKY is our Greeter. Lion Jeff Norris pocketed his \$10 Attendance Prize, so Lion John FARRAR only missed \$5 by not being here. In the Mad Marble Malarkey, things went about as planned. Lion Mike

PLISKY bought a zillion tickets, had his pulled and missed his chance at \$232. At this rate, he's going to spend \$1,000 to win \$500. Unless justice triumphs and someone else wins.

### [Christmas Party](#)

Invitations have been received by nearly everyone. If you haven't received yours, be sure to contact Lion TT Dick MAGGIO.

Also, we need door-prize/raffle/auction items. Please let the committee know what you are bringing.

And we need lots more than just members and spouses to make this a successful event. Start inviting friends, customers, business associates, people off the streets, anyone who is willing to associate with us. We need people.

The Christmas Committee is hard at work planning a fabulous evening (see them hard at work at the bottom of the page — at Smokey's).

### [Who Stole the Cherries](#)

Take a look at the picture on the left. Notice anything missing? Yeah. What Noontimer only wanted to eat cherries and not cake?
