## This week

Our Special Guest today is Oxnard Mayoral candidate Tom Holden. Tom's probably going to tell us why he thinks he should be mayor. Your BE is just guessing here. No one told him the subject of the talk.

is an administrator for a group called See International. See International sends doctors like Doc Brown around the world to provide eye surgery to people who would otherwise have no access to modern medicine. Cozette and Harry will tag team to give

us an interesting and informative presentation about their humanitarian work.

## Next week

Irene Pinkard, candidate for mayor of the City of Oxnard, will be here. She will probably tell us why she should be mayor. Just guessing here. No one told the BE the subject of her speech.

## Whispers from Will

I was chatting with old cruise line friends the other day and the subject of retirement came up. As some of us lions are beginning to think about that time (present company excepted) my buddies suggested you all think about going on a Princess Cruise rather than go into a nursing home. The average cost of a nursing home is \$300 per day. Long term senior discount reservations begin as low as \$135 per day. That'll leave you \$65 a day for:

## Last week

What an honor guard we had last week: Lion PDG Howard HUDSON came to introduce the founder of SEE International, Dr. Harry Brown. Dr. Brown brought Cozette Bordelon and another guest. Doc Brown is an eye surgeon and Cozette

1. Gratuities which will only be \$10 per day.  
2. You can have as many as ten meals a day if you can waddle to the restaurant, or you can have room service which means you can have breakfast in bed every day of the week.

3. Princess has as many as three swimming pools, a workout room, free washers and dryers, and shows every night.

4. They have free toothpaste and razors, and free soap and shampoo.

5. They will even treat you like a customer, not a patient. An extra five bucks worth of tips will have the entire staff scrambling to help you.

6. You'll get to meet new people every 7 or 14 days.

7. T.V. broken: Light bulb needs changing? Need to have the mattress replaced? No problem! They will fix everything and apologize for your inconvenience.

8. Clean sheets and towels every day, and you don't even have to ask for them.

9. If you fall in the nursing home and break a hip you are on Medicare. If you fall and break a hip on a Princess ship they will upgrade you to a suite for the rest of your life.

10. Now hold on for the best! Do you want to see South America, the Panama Canal, Tahiti, Australia, New Zealand, Asia, or name where you want to go? Princess has a ship ready to go.

PS And don't forget, when you die, they just dump you over the side at no charge.

## Winners

Your BE has no idea who might have Free Fines today. He neglected to write it down. Lion LT Scoop LISKEY is our Greeter. Lion S Rick SMITH pocketed the \$5 Attendance Prize last week, so Lion Barry BRAFF only missed \$5 by not being here. In the Mad Marble Malarkey, Lion Dave GOSNELL was unable to land the \$250.50 prize.

## White Cane Daze

Tomorrow is White Cane Daze. Either sign up today, show up and work a shift tomorrow or pay \$65 for being a stiff. This is our only required activity of the year. You must participate or pay. No exceptions.
