### Last week

Steve Berman dropped by to tell us all we need to know about pre-planned funerals. And he was even fairly funny, in a macabre sort of way.

### This week

Yet another of Lion 1VP Otto SCHIMMEL's secret wonders. Who ever knows who is speaking?

### Amickable comments

More good news on the momentum of Project Life Saver. Lion Rolf generously gave of his time and visited the Pleasant Valley Lions Club, this last Tuesday evening. In attendance and having great interest was none other than the Mayor of Camarillo, Mike Morgan, who being a part of the local search and rescue team in the area, immediately grasped the value of PLS.

We may be looking at two hot spots of initiating PLS here in the County in short order. With Captain Cozzens efforts in Thousands Oaks and the newly informed Mayor, we may see great demands on our time

and financial potential. These are good problems to have.

The next organizational meeting will be held at Barry's Automotive, 578 S. Dawson Drive, Camarillo (ph. 388-6422) on January 19 at 6:30.

On the top of our agenda is painting a clear picture of how the finances work and the costs involved to purchase

kits. More importantly how these cost are shared on start up by the Cities, Law Enforcement and Lions Clubs. We need to be very clear how this should happen. When all is said and done the Lions Clubs own nothing and the Law Enforcement agencies, typically, own everything. We will walk through this concept, so please come and be ready to discuss.

Lion BE Toby SCOTT will be taking over as 1VP in July, in addition to his Treasurer and Bulletin Editor jobs. Looks like we'll need a new Bulletin Editor. Any volunteers? Talk to Lion Toby.

## Winners

Lion Dave TAPIE has Free Fines today, same as last week. Wonder if he'll remember this time? He never reads the Bulletin, so no one tell him. Lion Irv TUCKER is our Greeter. Considering that a free lunch is involved, he'll almost certainly take advantage. Lion Dr. Richard FIGUEROA wasn't here to qualify for the \$10 Attendance Prize, so today we draw for \$15. In the Mad Marble Malarkey, Lion Loyal FRAZIER attempted to pilfer \$261.50 that belonged to one of the poorer members of the club, so justice was served when he blue it.

## Project Lifesaver

This week's photos are from Project Lifesaver. Wish they'd sent some kind of annotation along with them. It all looks interesting, but what the heck do these thing-a-ma-bob's do?
