Megan Plisky, daughter of Lion 2VP Jim PLISKY, will be visiting and will be bringing Dr. Pablo Munoz, who as a high school student spent his junior year at a "Little City in California," which was Oxnard. Megan would also like to show a short video of her new Internet startup venture, Moodyo. She has spent the past several years in Spain.

[Next week](#)

It is the last Friday of the month, so there should be no program, but who knows?

[Last Week](#)

Your BE doesn't know. No one was scheduled. Lion S Jeff NORRIS said he'd send a report to the BE, but didn't.

Lion Past President Loyal FRAZIER was a member of this club for more than 50 years and was selected to be a Life Member of Lions. Nearly every year until declining health reduced his activities he was the largest raiser of money for White Cane Daze, usually raising several thousand dollars by himself. He was kind, courtly and gracious. Unfortunately he has been on dialysis for the past eight years or so and has not been able to attend meetings. He had dialysis on Monday/Wednesday/Friday. But he sent several notes for the Bulletin every year and was a constant source of information about Lionism.

Lion Loyal will definitely be missed.

We also lost former Lion Oras Racicot, who while he was manager of the Edison Plant in Oxnard was an enthusiastic, active and inventive member of the club. Unfortunately he was transferred to another plant and we lost a fine Noontimer. Now the world has lost a fine human being.

For those who don't remember, Lion Oras was the architect of "Eroticism's finest hour," for the program he setup for the wives of Lions (when all Lions were men). The wives' program was a male strip show.
