## [This week](#)

Apparently, we have no program today. Yes, it isn't the last Friday of the month, but hopefully you have all brought decent jokes and we can have a good time without external stimulation.

## [Next week](#)

Your BE has heard nothing about a program next week. Is this a surprise???

## [Last Week](#)

Mike Ramirez from Oxnard Police Activities League, dropped by to talk about their programs and how we could get a signature event. We could sponsor the films in the park program, have a 30 second commercial that PAL produces begin each showing and let Oxnard know who the Noontimers are.

## [Winners](#)

Lion IPP Ross OLNEY has Free Fines, while Lion Sig ASKVIK is our Greeter. Hope we don't have to reply in Norwegian. Lion T Tim TENOPIR was here when his number was called, so if he shows today he's \$10 richer. In the Mad Marble Malarkey Lion Byron WEDEMEYER had a shot at \$122 but there are way too many marbles to have much of a chance. Lion Byron had no chance.

## [Banana Festival](#)

Well at least we had a showing of hands as to who would be able to work the festival. Lion D George THOMPSON is out of the country and he provided the printers last year. Where do we get printers this time? Lots of logistical things to be worked out and we have all of two weeks to get it done.

Noontimers have set a new world record for procrastination.

## *Not Much Happening*

Noontimers, we don't have much on our calendar. We need to get working on White Cane Daze, the Christmas Party and the Health Fair. About this time each year we used to have the Family Picnic. We need a fundraiser. We need to do some service work as well.

Anyone have any ideas???
