[This week](#)

It's our first experimental evening meeting. All Noontimers were encouraged to invite guests, so we'll see how that goes. We don't have a program (unless someone invited a guest to speak and neglected to tell anyone). Lions IPP Kalani JOSE and BE Toby SCOTT will talk a bit about Lionism.

Your BE is unaware of anyone scheduled. However, Lion S Sal GONZALEZ is attempting to reschedule his double-booked guest from last week. Maybe next week???

Lions Sandy Greenberg and Amy Towner from the Ventura Downtown Lions came by with an important message: The Lions of Ventura County have taken on a project to raise \$200,000 for the Ventura County Medical Center's Diabetes Center. We will furnish the Vision portions of the new center, which will allow us to put up Lions logos for all to see. It's by far the most visible project Lions in this area have taken on.

The county Lions clubs will hold a group Installation and fundraiser for the project on June 10 at the Camarillo Air Museum. Should be a fun night.

Winners

There are no winners. So few attended last week that we would have lost money selling raffle prizes. We didn't even bother with Attendance. No one was there.

Elections

We will hold our election at the evening meeting next Friday. Lion David KANJI will not be able to handle First VP and Lion Otto SCHIMMEL has graciously agreed to fill in. Also, the position of Lion Tamer, the person responsible for keeping track of the banner, bell and gavel was left off the list of candidates. We'll need someone volunteering from the floor.
