## [This week](#)

Our Special Guest today is Rigoberto Vargas, director of the Ventura County Public Health Agency. He will be talking about the results of the agency's community health assessment.

## [Next week](#)

Nothing scheduled yet. Stay tuned.

## [Last Week](#)

We again had an evening meeting. This time there was no speaker.

## [Winners](#)

Unfortunately, your BE wasn't at last week's meeting and didn't receive a list of winners. Someone won, but we'll have to wait for today's meeting to find out who.

## [Installation of Officers](#)

We need a final count on who is attending the Installation next Saturday at the World War II Aviation Museum at the Camarillo Airport. The event is Saturday, June 10 (next weekend). All our officers will be installed. We will hand out awards and the like at our last regular meeting of the Lion Year on June 30, which is scheduled to be an evening meeting.

The Air Museum is a fascinating place and well worth several hours of looking. It should be a great event. The planning committee is working to keep the event lean, so there will be no long, boring speeches.

Be sure to sign up to attend. Your ticket is paid already as part of your dues. Spouses or guests will be billed to your account.

The event is planned to raise funds for the Lions Sight wing of the Ventura County Medical Center's Diabetes facility. The Diabetes facility will be located in Oxnard, near the Rice offramp of the 101. At last, Lions will have a permanent demonstration of our service to the community.

## Events

After the push for the Strawberry Festival, we have no events scheduled. It's about time to start planning something.

## calendar
