Our Special Guest today is Danish Kazi from Mission Oaks Tax and Accounting. His firm specializes in dealing with problems with the IRS and Franchise Tax Board. He's here to tell us how to get on their radar, what to do if they are after you and maybe tell a few war stories (without revealing actual persons.)

Working on it.

[Last Week](#)

It was sort of open, but Lion IVP Toby SCOTT started talking about the threat of hacking fax machines — the 3-in-1s that are connected both to a phone line and a network. Soon, the conversation morphed into a discussion of tech issues. Not a terrible substitute for a program.

[Winners](#)

Lion P Otto SCHIMMEL has Free Fines, while Lion D Ross OLNEY is our Greeter. The big winner was Lion Victor GALLARDO who was here when his name was called and could pocket \$50 if he shows today. In the Mad Marble Malarkey, Lion T Tim TENOPIR took aim at a paltry \$121, decided it was too small and tossed it back.

Save November 6

We got two precincts for the November 6 mid-term election. For the primary there were two precincts in the school library, with two different groups running the polls. This time, we are the only providers for two precincts at the same location — Juan Soria Elementary School.

We will need everyone's cooperation to pull this off. We need at least 7 people at all times, from 6 AM until 9 PM. That's a lot of hours.

together for a comedy night, but got a tepid response.

Any other ideas?
