WORDS OF WISDOM

*If you don't like where you are,
change it! You're not a tree.*

Excerpt from "The Treasury of Quotes" by Jim Rohn

Otto's Epitaphs

Here goes another Did Ja Know?

The earth is the only planet not named after a pagan god.

President Otto Schimmel

A Boeing 747's wingspan is longer than the Wright Brother's first flight.

Venus is the only planet that rotates clockwise.

The Himalayan gogi berry contains, weight for weight, more iron than steak, more beta carotene than carrots, and more vitamin C than oranges. Now if we could just find the gogi berry!

The inventor of the flushing toilet was, yes, you guessed it, Thomas Crapper.

The average bed is home to over 6 billion dust mites.

The cigarette lighter was invented before the match.

For those who would like to give up chocolate, the average chocolate bar has 8 insect legs in it. Isn't that extra protein?

Every drop of seawater contains approximately 1 billion gold atoms.

Did you know that the United States national anthem has three verses but most people only know one verse? Should we award a prize to anyone who knows all three verses?

The total combined weight of the world's ant population is heavier than the weight of the human population.

Here's a word that doesn't exist but should: ELBONICS (el bon icks), n. The actions of two people maneuvering for one armrest in a movie theater.

Hope you enjoyed this light hearted column. More serious stuff next week.

Marble Malarkey

Lion Bobby Mullins' number was drawn but he didn't pick the lucky marble. The pot will continue to grow.

Life & Times of Newest Noontimer

Which Noontimer Lion was born in Madera, California and moved to Oxnard in 1984? **Lion Rick Gill** joined the Noontimers a few weeks ago and we convinced him to stand up at the last meeting and tell us more about himself. He is currently working as a real estate agent with Keller Williams. He spoke briefly about the local real estate market. He also bragged about his family, son Ricky and wife Nancy. **Lion Rick G** is an avid sportsman who enjoys fishing, hunting, and coaching his son's little league baseball team. For those of you who haven't been at the past several meetings, **Lion Rick G** is the one who has taken more money from this Club than anyone can remember.

Christmas is Coming Soon!

Not really but we wanted to let everyone know the party will be held on December 13th at the Saticoy Country Club. Mark your calendar now.

Strawberries and Lions

GOOD NEWS - BAD NEWS: The bad news is the Noontimers did not get the beer booth. The good news is the Noontimers were awarded the margarita booth. Plans are being made for the certification training to be held at the last meeting of the month in April (April 27). It is mandatory for anyone working in the booth to attend this training. Spouses may also attend and get certified. (Then we can get them to do all the work!!!!) A schedule of shifts will be circulated later so look at your calendars and be ready to sign up. (Sorry guys, the Bulletin Editor cannot help out this year. Seems he has to go to the Caribbean to sample the real stuff!!!)

Welcome to Our Guests

Lion Ev Batey brought William Dockery for his second visit. Looks like another new member for us! Rumor has it that previous guest Keith Ingram will be joining the ranks of the Noontimers soon.

Is this Hap-pea and Split-pea from Pea Soup Anderson's?

No, its Lion Ev with potential new member William Dockery

Survey Says...

At the March 28, 2007 Board Meeting, **Lion Toby** presented the results of the survey of interest that was conducted several weeks ago. According to the survey, Noontimers indicated a preference for the following activities (listed in order of preference): beer booth at the Strawberry Festival; the Christmas Party; the Family BBQ; the Cancer walk; vision screening locally; and manning election booths.
